Added Velocity 2020

Budget

Project Title:

Please include all projected expenses and anticipated income (if applicable) to formulate the total project budget. The "Budget" section should only include the breakdown of how the Added Velocity grant will be used. Any anticipated or secured additional funds should be listed in the "Income" section. Use the "Additional Comments" as needed. If you're pursuing other funding please use this section to explain how you would modify or scale the project in the event the funds are not secured.

*Please note: if you are planning to use a fiscal sponsor, you should disclose any fees associated with that service.
